Originator

Item

**City Sidewalks and Park Trails Usage Policy**

---

Date

7/8/2015

---

Description

Enclosed is the draft City of Bloomington Park Trails, Regional Trails & Sidewalks Usage Policy. Staff is proposing to include this policy as an appendix to the Alternative Transportation Plan Update. This policy will be amended periodically as usage changes and City needs dictate. For example, depending upon the rules and regulations established for the planned Minnesota Valley State Trail, this may necessitate a corresponding revision to this policy.

Staff will provide a brief review of the policy at the July 8 PARC meeting.
